

The Cornerstone Class is a unique blend of 40-50 FLC disciples who meet with several goals in mind;

- (1) To learn how we can become better disciples in our Walk with Jesus. We do this by studying a variety of subjects -- including Bible study, various Christian authors, and various subjects that will help us deal with the challenges of life.
- (2) We join together in fellowship as a "small group" to support each other. We share fellowship by sharing prayer concerns, joys, and life's issues.
- (3) We have fun by holding several social events each year away from the church - to get to know each other better. We also like to laugh together in class.
- (4) We share our spiritual gifts, by having 8-10 different people teach and facilitate during the year.

Subjects that we will discuss this year include "10 Trends Affecting Today's Church", an inside look at the Nicene Creed and Holy Communion, the spirituality of aging and a discussion of church music that has a personal meaning to each of us. Please come and join our lively discussions any Sunday at 10:00 a.m.

If you have questions, call our class leaders -- Lyman Newton (274-6477) or George Burfeind (294-9850).
