Barnabas Network

www.thebarnabasnetwork.org

The Barnabas Network (BN) truly appreciates all that First Lutheran does to help needy residents establish their homes once they have been approved for assistance. **BN will contact us periodically to update their most urgent shortages. They still need twin XL sheets and now need a few King size as well. Bath, hand and face towels are also requested.** If you are able to help with new or gently used items you can drop them off in the Mission Depot box marked BN. THANKS IN ADVANCE FOR YOUR FAITHFUL GENEROSITY. If there are any questions please call or email [Ruth Zeemer](mailto:Ruth.Zeemer@flc.org).

The Barnabas Network is a nonprofit organization supported by local faith communities that offers encouragement, furniture, job training, and transportation to families taking steps toward self-sufficiency. Families & Individuals Served Include: victims of fires, families moving from homelessness, mothers and children fleeing domestic violence, families and individuals recovering from a major setback.

Our furniture is donated by individuals in the community and is then redistributed to our clients. Our philosophy of reuse, recycle, and refurbish benefits the entire community by providing furnishings to those in need and keeping these items out of the landfill.
