

T. Moser Youth Fund:

Fund Purpose and History: Taylor Moser Youth Fund was established in 1996 by Neva LaRue Moser in honor of her husband, Hampton Taylor Moser. LaRue felt strongly about the youth program at FLC and created this directed endowment to support the long term needs of the youth. LaRue moved to Augusta, Georgia following her husband's death but continued to do an annual donation to the fund for the next 10 years until her death in 2008.

Taylor and LaRue Moser

Today proceeds of this fund help to support the youth attending the National Youth Gathering and other church programs inside and outside the church.

"Moser For Milestones"

The Endowment Committee is introducing the "Moser for Milestones" program to continue to grow this long-term fund. Children, youth, and adults have many milestones to celebrate like birth, baptism, first communion, high school graduation, and first job. Parents, grandparents, mentors and friends can honor these special moments with a donation in honor of the individual to the T. Moser Youth Fund which will be recognized in the bi-monthly newsletter. Donations can be made online, text to give "Moser", and through cash or checks in donation envelopes.

Moser for Milestones will help FLC children and youth now and in the future!
