

Milli Link Fund

Milli Link Fund was established in 1999 by Ken Link on behalf of his late wife, Milli Link. Milli spent a lifetime enjoying and playing music for others and Ken decided to honor her memory by setting up a scholarship fund in her name. Each year applications go out to Eastern Carolina University, University of North Carolina Greensboro, and Lenoir Rhyne University for music students majoring or minoring in organ performance. Applications are due to the Endowment Committee by November 1st and responses to applicants by December 1st. Contact Endowment committee for more information and an application ficendowment@gmail.com.
